

PRESS RELEASE ANNOUNCING A PROPOSED PROPERTY TAX INCREASE

The Rockdale County Board of Education today announces its intention to increase the 2023 property taxes it will levy this year by 12.96% over the rollback millage rate.

Each year, the board of tax assessors is required to review the assessed value for property tax purposes of taxable property in the county. When the trend of prices on properties that have recently sold in the county indicate there has been an increase in the fair market value of any specific property, the board of tax assessors is required by law to re-determine the value of such property and adjust the assessment. This is called a reassessment.

When the total digest of taxable property is prepared, Georgia law requires that a rollback millage rate must be computed that will produce the same total revenue on the current year's digest that last year's millage rate would have produced had no reassessments occurred.

The budget tentatively adopted by the Rockdale County Board of Education requires that a millage rate higher than the rollback millage rate be assessed. Therefore, before the Rockdale County Board of Education may finalize the tentative budget and set a final millage rate, Georgia law requires three public hearings to be held to allow the public an opportunity to express their opinions on the increase.

All concerned citizens are invited to the public hearings on this tax increase to be held at the Board Room, 960 Pine Street NE, Conyers, Georgia on Thursday, July 13, 2023 at 9am and 5:30pm and on Thursday, July 20, 2023 at 6:30pm
