

Access CMS Virtual Media Center on It's Learning

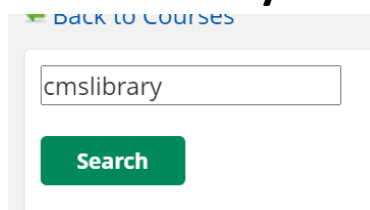

1) Log in to your it's Learning Page and click **Courses**. Then click **All Courses**

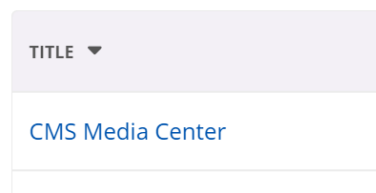

2) Click **Find More Courses** on top right and then choose **Site Course Catalog**

3) Type in the course keyword **cmslibrary** and then **Search**

4) Choose CMS Media Center

5) Click **Enroll in Course**

Enroll in the course

6) You can now access CMS Media Center as a Class in your Courses drop down box
